VOTING MEMBERSHIP

Benchmark, connect, and lead with your peers

Voting Members are companies that extend credit directly to consumers and/or businesses and manage the credit, collections, and fraud risk that comes with it. TRMA gives your entire team a confidential forum to compare performance, share what works, and stay ahead of regulatory change alongside peers at the nation's leading carriers and providers.

A Vote and a Voice

Vote on association business and help set TRMA's direction through committee work and leadership service.

Benchmarking Data

Contribute to and compare credit lifecycle metrics – credit, collections, fraud, and payment processing – against peer carriers.

Spring & Fall Member Meetings

Two conferences a year built around industry programming, peer roundtables, and pre-conference learning labs – at member rates.

A Peer Network That Picks Up the Phone

Direct access to risk, fraud, and collections leaders who face the same problems you do, through meetings, forums, and committees.

Seven Working Committees

Benchmarking, Communications, Fraud, Regulatory, Business Affiliate Relationship, Membership, and Program.

Regulatory & Legislative Updates

Regular briefings on rules affecting credit and collections, plus a Regulatory Committee that works to influence reform.

Education & Resource Library

Webinars, recorded sessions, and whitepapers on best practices – available on demand when your team needs them.

Company-Wide Access

Membership covers everyone at your organization, so analysts, managers, and executives all benefit – not just one seat.

WHO QUALIFIES

Companies that provide credit directly to consumers and/or businesses for their products or services. Apply online at www.trmanet.org/membership-application, or contact us and we'll walk you through it.
