

## Join Our Community

By joining TRMA as a Voting Member or a Business Affiliate, you'll be entering a community of peers ready to network and collaborate. Pick the category that best describes your company and apply for registration today.

### Voting Member

A Voting Member is a company that provides credit directly to consumers and/or businesses for their products or services and as a result deals with uncollectible receivables and fraud issues.

### Business Affiliate

A Business Affiliate is a company that provides service solutions to the TRMA Voting Members and their industries to help them manage their credit, collections, and fraud concerns. Please reference the application process below.

1. The potential Business Affiliate (BA) should submit the application along with at least one (1) sponsor letter from a current TRMA Voting Member (VM) company. A current TRMA BA may also send in a sponsor letter if they work with the potential new member company.
2. The potential BA can bring in a new VM to TRMA. If they do, they will automatically get an interview with the TRMA Board of Directors.
3. If the potential BA is not able to bring in a new VM, the company applying for membership will be put in a waiting list. When an opening occurs, the Business Affiliate Relationship Committee will recommend companies the Board of Directors for membership consideration.
4. The Board will interview the companies and either approve or deny membership. The TRMA has the right to balance the portfolio of BA's by the type of business they offer.
